KENTUCKY LEGISLATURE

John Stobert, w Campbell sonn y

DAILY COURIER.

THURSDAY MORNING, - - JAN. 28, 1868

DEMOCRATIC MEETINGS.

Second Ward Democratic Clab.

A meeting will be held at Knapper's Hall, or Market efreet, between Campbell and Wenze street, Saturday evening, the Bith inst, at 18 o'clock. All Democrats of the word are requested

Spencer Canaly, tomocrary of February, bemocrary of Spencer constraint and requirement of the Court house in Engineering on, the 2d day of February, 1984, il being court day, for the purpose of helding to appoint delegates to strend the Democrat Convention, to be held in Frankiering day of February, 1985,

Cheirman County Committee.

Another Flood.

Last night we had heavy and continuous rain.

Carrying off as it did the quantity of anow on the ground, if it was at all general, another and a damaging flood is almost certain.

and a damaging flood is almost certain.

Morton, of indians, is against letting sensor Thomas take his seat, because in thinks Thomas would have been in the rebelion if Maryland had seceded. The logic of Radical statesmen is perfectly astonading.

The Lexington Gazette intimates that fare in the favorite game of the Congressional Jacobian. Just at present they are going it atrong on bind.

The Much of our space is occupied this morning with reports of discussions in the Legislature, which are exceedingly interesting.

HON, JOSHUA F. BULLITT.

And the second s

The question is forcibly jul he our contemporary. Keniucky as the partisen of any particular aspirant for the President A State Convention met at Jackson, Miss., on the 15th, under the carl of the central committee of the Constitutional Union par only to the extent of it cel van vita. Unly, for organization. It will be remembered trammeled and free to act as exem

took occasion to impress upon the opportgreat ley of organization upon any oth r hash than that of Democracy, and expressed the 'Mack," the Washi gion c rresponden

hope that the Missis ippil Convention, when it assembled, would at once adopt WASHINGTON, Jan 17 to the name and principles of the Democrat party, with a view to concert of action, at the bailot, with the conservative masses of the North in reslating Radical usurpation. We are much gratified to see that the Convention did all that could have been desired. We have before us the platform laid down by is, and it is in every particular eminently sound ceoustions adopted:
Resolved, That we here y ad pit the name of and the principles for which the saw knucratic party were now contending, and hall we will do battle under the banner until be Union is restored to a constitutional base, and all the States are recognized as a qual-

lly and squarely on a D mocratic platform Much has thus been done to place him is ere are now divided, as in the Northern su

ern States, in name as well as principle nto Democrats and Radicaia. ry tyranny, the true men of the State ma ther States in electing a Demucratic Prelent and Vice President this fail. Isolate nization could have been producted of little good, Dem era'e organi zation will result in algust benefit. It is to be hoped that the example of our flashsappi friends will be foll wed with as little delay as possible by the conservative population of every Southern State. Ere long the National Democratic Convention

will assemble, and in it every State of the Union should be fully represented. At the Radical Convention to come off to Chic go next May, the bogue gov ruments of the South will be represented at the National Convention of the party that seeks to restor the aspressacy of the Constitution over the Union, the adherents of the legitimate white governments in the Southern States ought assuredly not to be unrepresented. The negroes and Radical whites into whose hands the Round Hean party proposes to place the dest ny the South will render that party all the aid of which they are capable; let the white I ed the broad enage of the party, and, in the language of the Musics ppi resolution, "de battle under that banner unt l the Un on l estored to a copelitulional basis, and all the In the past too mu b dt pos tion to temp

rize has been manifested 13 many e d to pair they were unsure to ac-in a firmament of gloom. Believing that i pair they were unable to see one star of ho expect a recognition of the constitutions status of the Southern States would be worthan vanity, many sank into apathy, or, work patent, and they should hasten to take higher and more noble ground. Resut even bave shown them that the deed, and projects of the Radical party find no induresment in the hearty of the ma jority in many of the Northern States. Th ioul conspiracy which would perpetuate the rule of an inlamous and despite party, by rendering the Countilinia nagatory, and subjecting white men to the domina egroes, is ludiguantly condemned and s idiated by those to whom Republican ada that have so long hang over us a fling, and there are ruys of little for the liberty shal again shed upon all the land its glorions diagence. This is notine for apathy and repraint, it is no time for up ponding with the cumi a st freedom. The leaders of the Raduci neers the material leaders of the Radical party to macives in what is trunspiring enough to driv the all the friends of liberty and the Counti on-will but be true to the me ives, all a frontic efforts will be of no aval, and we may hope to see Radicalism like the

The proposed action on the part of or Southern friends will tring to fight he strong point of view the fact that II supporters of the constitutional white population of the bouthern ladicalism are pregroes and a landful orthicss white adventurers, p New England States, who lave no part of it terest in the country.
